Re: Textbook Information

As – Salaamu Alaikum,

InshaAllah you and your family are having a wonderful summer. This letter is to inform you of the book fees for the upcoming school year. Listed below is an itemized list for each grade level. This itemized list only includes the books that will be available at the school for you to purchase. The plan is to have these books available at the Back to School orientation (July, 29), otherwise, I will distribute the books to your child or the teacher as they come in.

This year I am pleased to announce that we will be getting new math books. To make purchasing your books more convenient, McGraw Hill has set up an online store for you to purchase GA Reveal Math & Wonders. Reading.

You will also find in this email information on how to access/set up your account. Your child's books will come directly to you.

The following information is extremely important as it pertains to the Wonders Reading books.

If you are a returning parent and can secure a reading textbook from a previous student (grades 2-5), you can order the Valued Customer Student Bundle to save money. This includes the consumable Readers & Writers Workbook & Online Workstation. If you cannot secure a textbook, you should order the Comprehensive Student Bundle.

Please have all books by August 21, 2022.

School supplies should be in on the first day of school (August 7).

Shukran,
Sis. Samaiyah
